President's Message

FINAL MESSAGE of 2010-2011

It has been my honor and privilege to serve as your 2010-2011 Gateway League President. It is humbling to have so much faith put into my abilities and my sincere hope is that your expectations have been met. Thank you to everyone who has made this year such a tremendous experience for me and hopefully the entire group.

A special thank you to Shannon Jacobs and Paul - they have been most generous and gracious hosts several times over the past year and we offer our deepest gratitude and appreciation for all they have done. Shannon has also done a terrific job, again, with the Leaguer. Thank you so much Shannon! Thank you both for your ongoing support and commitment to this organization.

I would have been lost without the advice and assistance of each and every member of the board. Thank you for keeping me on track and being there without fail before ever even being called upon.

And a HUGE thanks to all of our members who make our organization the most fantastic group in Utah! Good fortune certainly smiled upon me with the opportunity to join Gateway League. You are some of the most amazing women and I feel so blessed to have you as part of my life experience! Thank you all for your membership in Gateway and most of all your friendship.

We now look forward to a new year, new challenges and new opportunities, which we will meet and embrace.

Barbara
