## *President's Message*

My Fellow Gateway Leaguers,

Thank you very much for the honor of allowing me to serve as your President. I will serve to the very best of my ability and count on your support to make this the very best organization in Utah.

We had a well-attended, fun and productive planning meeting at Shannon's beautiful home where we indulged in delicious food while working on the year's program schedule. We had terrific participation with some great suggestions for interesting topics and exciting speakers throughout the year. You will want to mark the **FIRST THURSDAY** of each month, beginning on **SEPTEMBER 2<sup>nd</sup>**, on your calendar as a reminder to join us for good food, camaraderie and terrific new information. The Gateway Leaguer will provide additional information on the programs, speakers and other items of interest each month as we go forward.

Membership is always a major concern – **if each of us committed to bring one new member to each meeting** we would have a significant increase in membership this year. Okay, okay – so now think about how simple **one new member** to the organization this year sounds in comparison and commit to helping us double our membership by year end – think about the people you know and ask until you get a membership commitment from just one. We can do it! I have ultimate confidence in our abilities to grow this organization.

Than you again for your confidence – I will work hard to deserve the honor ou have given me.

*Barbara*

***WELCOME TO OUR NEW MEMBER ORGANIZATION***  
***THE MURRAY AREA CHAMBER OF COMMERCE***

Gateway League members will receive the Chamber's Monthly Calendar\*, and we urge you to participate in and support Chamber activities.

Likewise, we invite Chamber members to join us in our many programs, projects and **FUN** fund raising events.

**SEPTEMBER 2, 2010 PROGRAM INFORMATION  
THE FAMILY SUPPORT CENTER  
LIFESTART VILLAGE**

*“Our business is not to see what lies dimly at a distance, but to do what lies clearly at hand.”*

Lifting someone out of poverty and homelessness requires more than just putting a roof over their head.

In FSC’s LifeStart Village, single mothers with young children received, in addition to housing, training in the life skills they lack in order to create a stable, nurturing environment for themselves and their children.

- Phase I, II and III housing for 53 families
- Situated on a four acre campus in Midvale

**Family Support Center  
Mission Statement**

*The mission of the  
Family Support Center  
is to protect children,  
strengthen families and  
prevent child abuse.*

Bring family and friends to the September 2<sup>nd</sup> meeting to hear more about this valuable program.

**AUTUMN EQUINOX COUNTRY STORE**

Once again we will hold our Autumn Equinox Celebration on September 25. (Flyer is attached) We will be offering for auction our famous gift baskets, delightful food items and useful odds & ends. As usual, we need your help in supplying the gift baskets and items for the Country Store.

Last year we had many homemade food items such as bread and jam, dried herbs and pies. Candles, books, magazines, canned pantry items, and many other useful items were donated by members.

We will accept anything you wish to contribute, new or *gently used* items will be appreciated.
