President's Message

Dear Gateway Members -

Wow, another month has passed? It can't be time for Shannon to be requesting a message for the Leaguer, was my thought when the request for this month came. I wanted to say 'but I just sent it to you' - how time does fly! We are now less than 50 days away from the 2010 General Election and it is very important for us to become familiar with all the candidates and how they stand on the issues within their realm of government, then we must vote on Tuesday, November 2nd to ensure we have participated in choosing leadership for our cities, counties and state! **NO VOTE - NO VOICE!** Be sure to vote in the November General Election, whether you vote by mail, vote early at a polling place or on the day of the election - **VOTE!**

Normally, our October meeting would be a Meet the Candidates evening at Anna's, however, due to the Meet the Candidates Night at Murray High School being scheduled from 6:00 - 9:00 PM on that same Thursday, October 7, we are going to free up that evening to give everyone the opportunity to attend the Meet the Candidates Night at Murray High School. Gateway League will join the Salt Lake Club Meeting on Thursday, October 21 at Out of the Box to learn more about Downtown Rising from Natalie Gochnour, Chief Economist & EVP / Public Policy and Communications at the Salt Lake Chamber of Commerce. Please see additional information on that meeting below.

Our Gateway League member, Diane Wiley-Turner, is running for Salt Lake County Council District 3 - if you live in the Murray, Taylorsville or West Valley area she will be on your ballot. You can check her website at www.votediane2010.com to learn more about her stance on the issues.

A list of all candidates can be found at <http://www.elections.utah.gov/2010Candidates.htm> - check their websites, call their campaign headquarters or the party they represent to learn more about them and make an informed vote on Tuesday - November 2, 2010.

801.328.1212 Utah State Democratic Committee	801.533.9777 Utah Republican Party
801.544.4056 Constitution Party	801.201.0219 Green Party of Utah
801.565.1988 Libertarian Party of Utah	801.796.0637 Independent American Party of Utah

I make an attempt to take little for granted in this land of plenty in which I was fortunate enough to be born - this is not always easy and on occasion I forget how blessed we are - then I attend a program or hear a story that reminds me and keeps me grounded in the reality of the world. Recently, I was invited to a slideshow presentation, given by the minister of a local church, on his trip to Union of Myanmar (formerly Burma). His presentation included photos and stories of the incredible people he met during his journey. We learned that the Burmese people live under the strict military rule of the "State Peace and Development Council (SPDC)" which has a contentious relationship with Burma's ethnic groups, who suffer many injustices, human rights violations and other hardships in their everyday lives. These

wonderful people live without the freedom to worship as they please and have absolutely no say in how they are governed, they must do exactly as they are told by their government or suffer dire consequences, possibly death if they take an unpopular stand on an issue.

Once again I was visually and intellectually reminded of the immense gratitude I feel to have the good fortune to live my life in complete freedom - to come and go as I please, say anything I choose to anyone, work for someone else or start my own business, select the religion of my choosing or none at all - my gratitude for this freedom and gratefulness to those who fought and died for me to have it is endless and undying - may I never forget and always take my vote seriously, knowing that it was hard-earned by those who came before me and stood strong in their beliefs of freedom for all. And may we never lose those freedoms we sometimes take for granted - **VOTE on Tuesday - November 2, 2010** - be grateful for your voice and freedom it gives you as you mark your ballot.

I would also like to invite you to participate in the 2010 Eleanor Roosevelt Award Luncheon on October 7 at the Downtown Marriott - you may purchase tickets for the event at <http://www.actblue.com/page/2010er> if you are interested in attending.

Hope to see you on Thursday, October 21 at Out of the Box!

Barbara
