President's Message

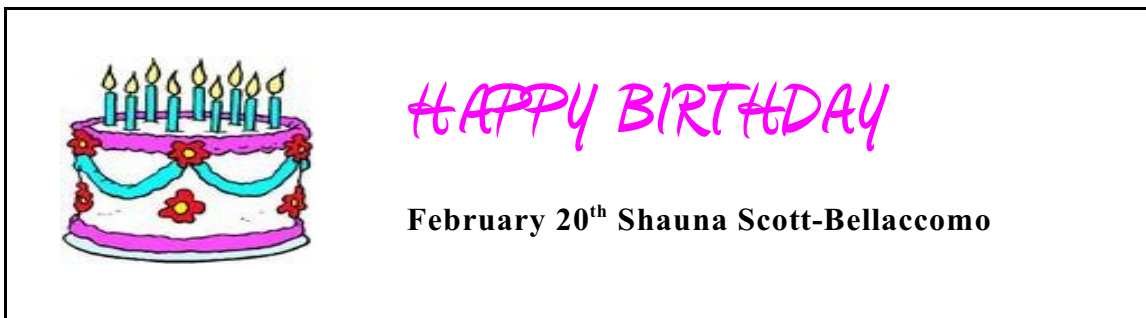

Dear Gateway Members -

I hope everyone had a wonderful holiday season, are now settling into the new year and things are going well. The new year has certainly been hectic and challenging for me to date but that tends to keep me out of trouble, so it is usually a good thing.

It would be wonderful if we could focus on new memberships in Gateway League for the next couple months. If you have a friend, neighbor or family member who might be interested please bring them to a meeting and introduce them to our group of fabulous Gateway members.

Our February meeting will be a strictly business meeting focusing on the revision of our Bylaws. Please come prepared with your thoughts and ideas for the future of our organization.

Barbara
